

Food made in India, Enjoyed world over!

WHO WE ARE

When you blend the core ingredients of passion & care into read-to-cook foods, all you can expect is 'just made at my home' experience.

With its state-of-the-art plant, Ariba Foods Pvt. Ltd. brings a wide range of delicious foods with the promise of healthy ingredients in homely flavours. We make cooking simpler with 'ready-in-few minutes' array of worldly Snacks, Indian Flat Breads, Curries & Sweets, South Indian & Rice delights and varied international cuisines. Freezing is our tool for locking the freshness & nutrition into the foods we make.

The vital certifications we've bagged, vouch for the production standards we follow. All this sets us apart in being a one-stop solution for material sourcing, manufacturing, packaging, logistics & end-to-end solutions especially for exports.

Creating **mom-made** experience with **home-made** flavour.

OUR GROUP

Ariba Foods Pvt. Ltd. is a venture of The Packing People group (founded 1983), a leading manufacturer of high-quality specialty packaging products. Our diverse portfolio includes Corrugated Boxes, Kraft Paper, Pharmaceutical Packaging Bottles & Closures, PET/HDPE/PP jars, Poly Bags, Personal & hospital hygiene products and Food & Agro Products. Our manufacturing plants are spread across more than 8 locations in India.

Our pursuit of excellence was duly acknowledged by National Award for Outstanding Entrepreneurship in Manufacturing (2014-15) from Hon. Prime Minister Shri Narendra Modi. Our group holds US Patent for CR closures, making us the first & only Indian company in this category. Strategic partnerships with invaluable clients have paved way for us to become a 700 crore (\$100 million) group by 2018.
